# MEMORANDUM AND ORDER

This matter is before the court for case management. On March 11, 2015, Plaintiff filed a “Motion for Leave to File an Amended Complaint” (Filing No. [23](#)), which the court construed as a supplement to Plaintiff’s original Complaint. (See Filing No. [24](#).) Upon further review of the motion, it is unclear whether Plaintiff intended the document to serve as an amended complaint or merely a *request* to file an amended complaint.

IT IS THEREFORE ORDERED that:

1. Within 30 days, Plaintiff must either file an amended complaint or provide written notice to the court setting forth that he intended his “Motion for Leave to File an Amended Complaint” (Filing No. [23](#)) to serve as his amended complaint. Failure to take either action will result in the court dismissing this action without prejudice and without further notice for failure to diligently prosecute it.

2. The clerk of the court is directed to set the following pro se case management deadline: May 22, 2015: Check for amended complaint or notice.

DATED this 20<sup>th</sup> day of April, 2015.

BY THE COURT:

*Richard G. Kopf*  
Senior United States District Judge
